Resolutions to be proposed at the 2022 AGM

Turning then to the resolutions to be proposed at the 2022 AGM on Friday, 2 December 2022, these are as follows:-

Resolution 1 – to receive and adopt the 2022 Annual Report & Accounts

The Companies Act 2006 (the “**Companies Act**”) requires the directors of a public company to lay its annual accounts and reports before the company in Annual General Meeting. Resolution 1 will therefore be proposed at the 2022 AGM, as an ordinary resolution, to receive and adopt the annual accounts and reports of the Company for the financial year ended 2 July 2022 (including the Directors’ and the auditor’s reports thereon) (the “**2022 Annual Report & Accounts**”). Shareholders who have requested to be sent hard copies of documents sent out by the Company will find enclosed with this document a copy of the 2022 Annual Report & Accounts.

Resolution 2 – to approve the Directors’ Remuneration Report

As the Company is now an AIM company, it is not required to prepare a report on Directors’ remuneration in accordance with Schedule 8 (Quoted Companies Directors’ Remuneration Report), as amended of The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (SI 2008/410) (the “**2008 Regulations**”). However, the Board considers it appropriate for the Company to follow the spirit of Schedule 8 of the 2008 Regulations given previous disclosures before the Company’s transfer to AIM.

Resolution 2, which will be proposed as an ordinary resolution, seeks shareholder approval of the Directors’ Remuneration Report which can be found on pages 5 to 7 (inclusive) in the 2022 Annual Report & Accounts. The vote on this Resolution will be advisory in nature and the Director’s entitlement to receive remuneration is not conditional on it being passed.

Resolutions 3 and 4 – to re-appoint PWC LLP as auditor and auditor’s remuneration

Resolutions 3 and 4 are being proposed, as separate ordinary resolutions, to obtain shareholder approval for the re-appointment of PWC LLP as the Company’s auditor and to authorise the Directors to determine the auditor’s remuneration.

Resolutions 5 to 9 – to re-elect Keith Edelman, Rob Pitcher, Danielle Davies, Jemima Bird and William Tuffy as Directors

In accordance with the requirements of article 56.1 of the Company’s articles of association, all the Directors retire at each Annual General Meeting and all of them being eligible and wishing to serve again, offer themselves for re-election.

Information on Keith Edelman, Rob Pitcher, Danielle Davies, Jemima Bird and William Tuffy can be found on the Company’s website at <https://www.revolutionbarsgroup.com/about-us/leadership/meet-the-board/>.

The Board considers that both William Tuffy and Jemima Bird have extensive relevant experience as directors of listed companies, which allows them to contribute to the Company’s development. The Board considers both William Tuffy and Jemima Bird to be independent and, therefore suitable for the role of Non-Executive Director. The Board considers that the performance of Keith Edelman, Jemima Bird, William Tuffy, Rob Pitcher and Danielle Davies continues to be effective and demonstrates commitment to their respective roles, including time commitments for Board and Committee meetings. The Board is therefore of the opinion that each of these Directors should be re-elected to the Board.

Resolution 10 – to give general authority to the Directors to allot shares

Under the Companies Act, the Directors may only allot shares (or grant certain rights over shares) with the authority of shareholders in General Meeting (other than pursuant to an employee share scheme). The Directors' existing authority to allot shares, which was granted at the Annual General Meeting of the Company held on 22 December 2021, will expire at the end of the 2022 AGM.

Resolution 10 will be proposed, as an ordinary resolution, to authorise the Directors to allot Ordinary Shares up to a maximum nominal amount of £76,675 and up to a further maximum nominal amount of £76,675 where the allotment is in connection with an offer by way of a rights issue, representing approximately 33.33 per cent. and approximately 33.33 per cent. (respectively) of the nominal value of the Ordinary Shares in issue on 3 November 2022 (being the last business day prior to the printing of the document). The Company does not currently hold any shares in treasury. These limits are in accordance with guidelines issued by the Investment Association and market practice.

The authority conferred by Resolution 10 will expire at the end of next year's Annual General Meeting or, if sooner, on 2 March 2024.

The Directors have no current intention of exercising this authority. However, the Directors believe it to be in the best interests of the Company that they should continue to have this authority to maintain the flexibility that this authority provides. If the Directors do exercise this authority, the Directors intend to follow best practices as regards its use, as recommended by the Investment Association.

Resolutions 11 and 12 – to give power to the Directors to disapply pre-emption rights when allotting shares for cash

Unless they are given an appropriate authority by shareholders, if the Directors wish to allot any shares for cash or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme), they must first offer them to existing shareholders in proportion to their existing holdings. These are known as 'statutory pre-emption rights'.

The existing disapplication of these statutory pre-emption rights, which was granted at the Annual General Meeting of the Company held on 22 December 2021, will expire at the end of the 2022 AGM. Accordingly, Resolutions 11 and 12 will be proposed as special resolutions, to give the Directors power to allot shares without the application of these statutory pre-emption rights: first, in relation to offers of equity securities by way of rights issue, open offer or similar arrangements (save that, in the case of an allotment pursuant to the authority conferred by paragraph 10.2 of Resolution 10, such offer shall be by way of rights issue only); second, in relation to the allotment of equity securities for cash up to a maximum aggregate nominal amount of £11,502 (representing approximately 5 per cent. of the nominal value of the Ordinary Shares in issue on 3 November 2022); and third, in relation to an acquisition or other capital investment as defined by the Pre-Emption Group's Statement of Principles, up to an additional 5 per cent. of the nominal value of the Ordinary Shares in issue on 3 November 2022.

These limits are in accordance with guidelines issued by the Pre-Emption Group and the Investment Association as well as market practice.

Again, the Directors have no current intention of exercising this power. However, the power gives the Directors flexibility to take advantage of business opportunities that may arise.

The Directors intend to adhere to the provisions in the Pre-Emption Group's Statement of Principles and not to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolutions 11 and 12:-

- (i) in excess of an amount equal to 5 per cent. of the total issued ordinary share capital of the Company excluding treasury shares; or
- (ii) in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three year period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment.

The power sought and limits set by Resolutions 11 and 12 will also apply to a sale by the Company of any shares it holds as treasury shares. The Companies Act permits shares purchased by the Company out of distributable profits to be held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under its employee share-based incentive schemes.

The power conferred by Resolutions 11 and 12 will expire at the end of next year's Annual General Meeting or, if sooner, on 2 March 2024.

Resolution 13 – to amend the Company's articles of association to allow the Directors to change the name of the Company

Following completion of the acquisition of The Peach Pub Company (Holdings) Limited on 18 October 2022, the Board has been considering a possible name change of the Company to more properly reflect the different businesses now in the Group. The Board is proposing that the Company's articles of association be amended so that, as permitted by the Companies Act, the Board itself can effect such a name change (without seeking shareholder approval).

Resolution 13 to amend the Company's articles of association will be proposed as a special resolution.

Recommendation

The Directors of the Company consider that each of the resolutions set out in the notice of the 2022 AGM is in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of each of the resolutions to be proposed at the 2022 AGM as they intend to do in respect of their own beneficial shareholdings of an aggregate 1,327,500 Ordinary Shares (representing approximately 0.58 per cent. of the Company's issued share capital).

Yours faithfully

Keith Edelman

Chairman

Changes to the register of members after the relevant deadline will be disregarded in determining the right of any person to attend and vote at the meeting.

Electronic voting – via www.signalshares.com

12. If you wish, you will be able to vote electronically using the link www.signalshares.com. You will need to log into your Signal Shares account or register if you have not previously done so. To register you will need your Investor Code; this is detailed on your share certificate or is available from our registrars, Link Group. You can vote via www.signalshares.com by logging on and selecting the 'Proxy Voting' link. If you have not previously registered for electronic communications, you will first be asked to register as a new user, for which you will require your investor code (IVC) (which can be found on your share certificate), and postcode (if resident in the UK).

Electronic voting – via the LinkVote+ app

13. Link Group, the company's registrar, has launched a shareholder app: LinkVote+. It's free to download and use and gives shareholders the ability to access their shareholding record at any time and allows users to submit a proxy appointment quickly and easily online rather than through the post. CREST proxy appointments

14. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with the specifications of Euroclear UK & International Limited (“**Euroclear**”) and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID RA10) by no later than 9.30 am on Wednesday, 30 November 2022 or, in the event of an adjournment, 48 hours before the adjourned time. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner required by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Proxymity

15. If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 9.30 am on Wednesday, 30 November 2022 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Corporate representatives

16. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Total voting rights

17. As at 3 November 2022 (being the last business day prior to the printing of the document in which this notice is included), the Company’s issued share capital comprised 230,048,520 ordinary shares of £0.001 each (“**Ordinary Shares**”). Each Ordinary Share carries the right to one vote on a poll at a General Meeting of the Company and, therefore, the total voting rights in the Company as at that date are 230,048,520. As at 3 November 2022, the Company held no Ordinary Shares as treasury shares.

Poll voting procedure

18. Voting on all resolutions will be conducted by way of a poll rather than a show of hands. This is a more transparent method of voting as votes are counted according to the number of shares held by each member. As soon as practicable following the Annual General Meeting, the results of the voting at the Meeting and the number of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a regulatory information service and also placed on the Company's website at www.revolutionbarsgroup.com.

Questions

19. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting, but no such answer need be given if (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

Documents available for inspection

20. There will be available for inspection at the registered office of the Company during normal business hours on any weekday (excluding Saturdays, Sundays and public holidays) prior to and during the Annual General Meeting and at the venue of the Annual General Meeting itself for at least 15 minutes prior to and during the Annual General Meeting, copies of the service contracts of each Executive Director and the letters of appointment of each Non-Executive Director (and all supplemental or variation letters), together with copies of the separate deeds of indemnity executed by the Company in favour of each of the Directors.

Communications

21. Members who have general enquiries about the Annual General Meeting should use the following means of communication. No other means of communication will be accepted. You may:-
- call our members' helpline on +44 (0) 371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls from outside the United Kingdom will be charged at the applicable international rate. Lines are open 9.00 a.m. - 5.30 p.m. (London time), Monday to Friday (excluding public holidays in England and Wales); or
 - email shareholderenquiries@linkgroup.co.uk; or
